

Delius Swim School

Delius swim school is a thriving club that is achieving a wide range of skills through pupil swimming sessions. Pupils at Delius attend swimming lessons once a week where they are working towards their swimming awards. There is also lunch time club for gastro feed pupils and an after school swimming club for groups of pupils that come for extra swimming.

Fri	Nursery	Nursery	Class 1	Water babies 11.45-1.45		Class 8 & Lapage	After school Swim club 3-4pm

We are working towards increasing independence in the water and in changing, working towards developing communication through symbol cards, songs and intensive interaction

The ultimate aim is ensuring they are safe around and in water, whilst also working towards the physical target for the individual.

The pupils at Delius are working towards the ASA awards starting with swim a song which is a fun and innovative programme, specifically designed for young children who are new to swimming. This programme focuses on increasing water confidence, starting to familiarise the young swimmer with the frameworks and essential skills. The children working towards this award are working 1 to 1 with a member staff supporting them towards achieving the award.

ASA Swim a Song Award for achieving higher levels of confidence, movement and safety awareness in the water with adult support.

The Duckling Awards are designed to help children explore and enjoy the fun of learning to swim. They give set outcomes and provide a foundation level for the ASA Learn to Swim Framework

ASA Swim Duckling Award for achieving higher levels of **independent** confidence, movement and safety awareness in the water with minimal adult support.
